

Project Advisory

Bridge Replacement and Widening of Bowker Overpass over I-90/MBTA/Ipswich Street

Postponed: Boylston Street and Charlesgate Intersection Partial Closure Weekend

What Is Happening?

The roadway reconstruction and partial closure of the Boylston Street and Charlesgate intersection originally planned for Friday, September 18, 2026, from 8:00 p.m. until Monday, September 21, 2026, at 5:00 a.m., has been postponed due to weather conditions. It is anticipated that the work will be rescheduled to a weekend in October yet to be determined. Official dates will be shared with the public once they become available. This work will be scheduled as a partial closure over one intensive weekend to minimize impact on the neighborhood and traveling public.

How Will This Affect You?

More information will be shared once the new dates are available.

Travel Tips

Please pay close attention to all signage posted. Police details and traffic control devices such as drums, traffic cones, signage, and other equipment may be used throughout the project site to guide traffic.

How Can I Find More Information?
