### GROUP INSURANCE COMMISSION

# Pre-Tax Basic Life & Health Insurance Plan

The Commonwealth offers Pre-Tax Basic Life & Health Insurance to save you money on your insurance premiums. Under this Plan, if you have basic life, or basic life and health insurance, through the Group Insurance Commission, your premiums will be deducted from your salary on a pre-tax basis. This means that you will not have to pay state or federal income taxes on your share of the cost of basic life and health insurance premiums, which will result in a slightly larger paycheck.

This benefit is automatic, no further action on your part is required to receive this benefit.

Federal law, however, requires that you be offered the opportunity to decline this benefit. If you elect not to participate in this plan you may not change your mind until an annual enrollment period, or unless or until one of the following qualifying events occurs:

- you get married or divorced;
- you or your spouse give birth to or adopt a child;
- your spouse or dependent dies;
- your spouse commences or is terminated from employment; or
- you or your spouse take an unpaid leave of absence.

If you decide not to participate in this plan you must complete the other side of this Election Not to Participate Form and submit it to your GIC or Payroll Coordinator. If you do not submit a completed form, your insurance premiums will be deducted on a pre-tax basis automatically.
