# AUDIT FINDINGS

## NARRATIVE:

On April 8-10, 2015 an audit was conducted at the Massachusetts Treatment Center, Massachusetts Department of Corrections, to determine compliance with the Prison Rape Elimination Act standards finalized August 2012.

A complete tour of the facility was conducted on April 8, 2015. The following areas and operations were visited and observed: inmate living areas, medical operations, chapel area, booking & admissions, education areas (Learning Center), food services, facility maintenance operations, industry operations (screen shop), recreation areas, barbershop, program corridor property and laundry.

Documents reviewed for this audit included policy, institutional supplement, contracts, staff training records, personnel files, volunteer training records, sexual abuse & harassment investigations, and training curriculums. Documentation for each standard was provided by the facility prior to the visit.

The agency interview with Commissioner Higgins O'Brien was conducted on April 7, 2015. This interview confirmed strong support for compliance with the PREA standards by the Massachusetts Department of Correction.

No inmates under the age of 18 are housed in the Massachusetts Department of Corrections.

Formal interviews were scheduled through random selection of staff and inmates from schedules and rosters provided by the staff the evening prior to the audit.

Facility staff interviews were conducted with the following:

Superintendent

PREA compliance managers/Deputy of Operations & Deputy of Treatment

Mental Health Director (contract)

Mental health clinician (contract)

Director of Classification

Corrections Program Officer (supervisor)

Health Services Administrator (contract)

ESL teacher

SOTP Therapist

Lead Attorney

11pm-7am nurse (contract)

7am-3pm Lieutenant and four corrections officers

3pm-11pm one corrections officer, booking officer

11pm-7am Captain and two corrections officer

Inner Perimeter Security (IPS) supervisor and two investigators

Housing Sergeant

Inmate interviews were conducted with the following:

Two inmates who sent letters to the address noted on the poster announcing the audit

Nine inmates selected randomly from each housing area (one in restrictive housing)

One transgender inmate who also used a walker for assistance

One inmate who initiated a PREA complaint

One inmate with limited English

One deaf inmate

Three inmates interviewed spontaneously during the tour

The auditor was allowed free access to all areas of the facility, access to interview inmates selected randomly and intentionally, and to see any documentation requested. Posters were visible throughout the facility announcing the audit.

Contact was made with Prison Legal Services as they were identified as an advocacy group that has acted upon the interests of inmates housed in the Massachusetts Department of Corrections. The auditor's contact information was provided along with an explanation of the role of the auditor certifying PREA compliance with the state agency.

#### **DESCRIPTION OF FACILITY CHARACTERISTICS:**

Massachusetts Treatment Center is a medium facility with a count of 304 inmates, and 244 civilly committed offenders at the start of the audit. The mission is the housing and treatment of both state inmates who need Sex Offender Treatment as well as those civilly committed individuals. Housing consists of four units for civilly committed offenders with a smaller operation outside the perimeter of the facility but inside a secure perimeter referred to as a community transition house where three civilly committed offenders were housed. They are housed in single or double celled rooms with toilets and sinks. Showers are individual with a dressing area and window covering that provides privacy yet ensures security. Four housing areas are used for housing state convicted offenders needing Sex Offender Therapy. These are six man rooms. A community bathroom is located on each wing with has partitions for toilets and urinals to provide privacy. Individual showers are located in the back area of this bathroom and are secured at night. A restrictive housing area can hold up to 12 inmates. There is an additional cell located in the booking & admissions area which has a toilet/sink, and a room in the medical unit with three beds.

#### **SUMMARY OF AUDIT FINDINGS:**

**§115.11 - Zero tolerance of sexual abuse and sexual harassment;  
PREA coordinator**

☐ Exceeds Standard (substantially exceeds requirement of standard)

X Meets Standard (substantial compliance; complies in all material ways with the standard for the relevant review period)

☐ Does Not Meet Standard (requires corrective action)

**Auditor comments, including corrective actions needed if does not meet standard**

(a) written policy

(b) upper level agency wide PREA coordinator

(c) PREA compliance manager at the facility

103 DOC 519 Sexually Abusive Behavior Prevention and Intervention Policy supports a zero tolerance for sexual abuse and harassment as well as defines how they agency will prevent, detect and report this conduct. It ensures there is an agency wide PREA Coordinator and facility PREA Manager. An agency interview was conducted with the current Agency PREA Coordinator, Ray Marchilli. The responsibility for oversight is being transferred to the Policy Development and Compliance Unit (PDCU). Two additional staff who are inheriting the responsibility for oversight for PREA compliance, were interviewed on April 6, 2015. All three staff confirmed support from the agency level for compliance with the standards. Several system wide processes have been implemented to ensure efficiency and consistency with the policy and procedures. The interview with the facility PREA Managers (the current and the incoming manager) was conducted as well. Staffs from the PDCU were present during the audit to address questions and provided further documentation as requested.

-----------------------------	---

- ☐ Exceeds Standard (substantially exceeds requirement of standard)
- ☒ Meets Standard (substantial compliance; complies in all material ways with the standard for the relevant review period)
- ☐ Does Not Meet Standard (requires corrective action)

**Auditor comments, including corrective actions needed if does not meet standard**

- (a) staffing plan, includes eleven considerations
- (b) document deviations
- (c) PREA coordinator and agency determine adjustments
- (d) Policy for unannounced rounds, prohibit staff from alerting others

510.01 Security Staffing Plan, 512.03 Post Orders and 519.05 Sexually Abusive Behavior Prevention and Intervention Policy address the requirements of this standard. The staffing needs are reviewed formally annually as well as assessed daily at the multi-disciplinary meeting conducted every morning. There is a minimum staffing requirement that must be met daily. The PREA manager and coordinator have input in staffing levels as confirmed by interviews and documentation. Staff and inmate interviews confirm that unannounced rounds by supervisors are occurring.

**Auditor comments, including corrective actions needed if does not meet standard**

- (a) Only exigent circumstances for cross gender strip or cavity
- (b) Prohibit cross gender pat down searches of females (August 15, 2015 or August 20, 2017)
- (c) Document cross gender strip searches, cavity searches and pat down searches of females
- (d) Inmates can shower, perform bodily functions, change clothes . . . opposite gender announce their presence when entering the housing unit
- (e) Transgender not searched for sole purpose of determining genital status.
- (f) Train security staff in cross gender pat down and transgender/intersex inmates

519.05 Sexually Abusive Behavior Prevention and Intervention Policy and 506.04 & 05 Search Policy address the requirements of this standard. Staff and inmate interviews as well as demonstration while touring the facility confirm that female staff announces their presence in the units. Training addresses pat down searches of transgender inmates. Inmates interviewed confirmed that females announce their presence and indicated that this does afford them the opportunity to make decisions regarding personal business to ensure respect is given to female staff and they are able to adjust their needs to ensure their privacy.

<b>Standard number here</b>	<b>§115.16 – Inmates with Disabilities and Inmates who are Limited English Proficient</b>
---------------------------------	---

☐ Exceeds Standard (substantially exceeds requirement of standard)

X Meets Standard (substantial compliance; complies in all material ways with the standard for the relevant review period)

☐ Does Not Meet Standard (requires corrective action)

**Auditor comments, including corrective actions needed if does not meet standard**

- (a) Disabilities, intellectual, psychiatric or speech have equal opportunity, including written materials
- (b) Agency takes reasonable steps, including interpreters
- (c) Not rely on inmate interpreters (unless limited circumstances)

519.04 Sexually Abusive Behavior Prevention and Intervention Policy, 207.01 and 488.03 Institution Procedures for Telephone Interpreter Service, and 401.03 Booking & Admissions address the requirements of this standard. There is an English as a Second Language (ESL) class available. Several staff speak a second language affording the ability to interpret for six different languages. There is a Language Line available and one investigation demonstrated it was used. The deaf inmate acknowledged that he was aware of PREA and his rights. He had a sign language interpreter available to assist with the interview. Interpreter services are available for several hours during the week routinely. He indicated it would be easier for him to communicate with his family if there were video services. Staff provided documentation that

showed he was in school and also showed the auditor the TTY device which is presently available for him to use.

<b>Standard number here</b>	<b>§115.17 – Hiring and Promotion Decisions</b>
-----------------------------	---

- ☒ Exceeds Standard (substantially exceeds requirement of standard)
- ☐ Meets Standard (substantial compliance; complies in all material ways with the standard for the relevant review period)
- ☐ Does Not Meet Standard (requires corrective action)

**Auditor comments, including corrective actions needed if does not meet standard**

- (a) Not hire employee or contractor who has engaged in abuse, convicted of sexual activity by force, civilly or administratively adjudicated
- (b) Shall consider incidents of sexual harassment
- (c) Before hiring perform back ground checks, check references
- (d) Including contractors
- (e) Background check every five years
- (f) Ask applicants about previous misconduct described and impose continuing affirmative duty
- (g) Omissions grounds for termination
- (h) Agency provides information to other institutions upon request.

201.06 & 09 Selection and Hiring, Rules and Regulations Governing All Employees of the Massachusetts Department of Corrections (Blue Book) address the requirements of this standard. Potential staffs complete forms specifically asking the questions required of this standard. They are informed of their affirmative duty to report and that omission is grounds for termination. Human Resources are centralized. An interview with the Acting Deputy Director of Operations for Human Resources was conducted on April 7, 2015. This interview confirmed compliance with agency hiring practices in compliance with the standards, requirement of acknowledgement of a continuing duty to report behavior outside the job that conflicts with PREA standards and that termination may result for omission. A background check every four years has been recently implemented for staff. This interview confirmed that those checks have been completed for staff at this facility, therefore exceeding the requirements of this standard. Additionally, the Deputy Director confirmed that her staff would provide any information about staff previously employed upon receipt of a waiver signed by the previous employee by the agency requesting the information. Five randomly selected personnel files were reviewed and demonstrated compliance with this standard.

<b>Standard number here</b>	<b>§115.18 – Upgrades to Facilities and Technology</b>
-----------------------------	--

- ☐ Exceeds Standard (substantially exceeds requirement of standard)

☒ Meets Standard (substantial compliance; complies in all material ways with the standard for the relevant review period)

☐ Does Not Meet Standard (requires corrective action)

**Auditor comments, including corrective actions needed if does not meet standard**

- (a) New facility or expansion or modification
- (b) Installing video monitoring

703.01 & .10 Design Criteria and Planning Guidelines address the requirements of this standard. Documentation showing review of video monitoring with consideration for the PREA requirements was provided. Additional cameras have been requested. Minor modification have been made that were pointed out during the tour that enhances inmate safety such as reducing the height of the shelves in the library. An upgraded camera system is being installed; progress regarding this project was visible during the tour.

<b>Standard number here</b>	<b>§115.21 – Evidence Protocol and Forensic Medical Examinations</b>
-----------------------------	--

☒ Exceeds Standard (substantially exceeds requirement of standard)

☐ Meets Standard (substantial compliance; complies in all material ways with the standard for the relevant review period)

☐ Does Not Meet Standard (requires corrective action)

**Auditor comments, including corrective actions needed if does not meet standard**

- (a) Uniform evidence protocol, maximizes potential for obtaining usable physical evidence
- (b) Protocols appropriate for youths
- (c) Offer forensic medical exams, document efforts if they cannot
- (d) Attempt to make available victim advocate from rape crisis center, if not then qualified staff person. Document efforts to secure services
- (e) Accompany the victim if requested
- (f) Request investigating agency follow the requirements
- (g) Includes State entity or DOJ
- (h) Qualified advocate has received appropriate education and has been appropriately screened.

519.01, .02, .03, .04, .05, .06 Sexually Abusive Behavior Prevention and Intervention Policy and Massachusetts Partnership for Correctional Health Care (MPCH) 57.00 Sexual Assault/PREA Compliance address the requirements of this standard. In addition, there is a Letter of Agreement with Beth Israel Deaconess Medical Center which indicates that victim services and SANE exams are provided at the hospital. There is a Memo of Understanding with the Massachusetts State Police indicating they will comply with the investigation requirements of the PREA standards. Massachusetts State Police have been trained by the Agency PREA coordinator, therefore exceeding the requirements of this standard. A review of twenty three completed investigations confirmed they are using a uniform evidence protocol. The agency is

currently in negotiations with an advocacy group to provide services to victims. In the meantime, this is provided by staff from the Victim Services Unit.

<b>Standard number here</b>	<b>§115.22 – Policies to Ensure Referrals of Allegations for Investigations</b>
-----------------------------	---

☐ Exceeds Standard (substantially exceeds requirement of standard)

☒ Meets Standard (substantial compliance; complies in all material ways with the standard for the relevant review period)

☐ Does Not Meet Standard (requires corrective action)

**Auditor comments, including corrective actions needed if does not meet standard**

- (a) Agency ensure administrative or criminal investigation completed for all allegations
- (b) Policy in place ensuring all allegations are referred, published on website or other means, all referrals documented
- (c) Publication describing responsibilities of separate entity and agency
- (d) State entity shall have a policy governing conduct of these investigations
- (e) DOJ

519.03, .04, and .07 Sexually Abusive Behavior Prevention and Intervention Policy address the requirements of this standard. Staffs are required to report suspicions and knowledge of abuse and harassment to the shift commander, who must then report to the superintendent immediately. The superintendent ensures that the proper investigating entity is contacted (Internal Affairs, Office of Investigation Services, or the staff investigator). 522 Internal Affairs is posted on the website. A review of the data base and completed investigations supports compliance that allegations of abuse and harassment are reported and investigated immediately.

<b>Standard number here</b>	<b>§115.31 – Employee Training</b>
-----------------------------	------------------------------------

☒ Exceeds Standard (substantially exceeds requirement of standard)

☐ Meets Standard (substantial compliance; complies in all material ways with the standard for the relevant review period)

☐ Does Not Meet Standard (requires corrective action)

**Auditor comments, including corrective actions needed if does not meet standard**

- (a) Train all employees with contact with inmates on ten elements
- (b) Tailored to the gender of the inmates at the facility
- (c) Current employees trained within one year
- (d) Document that employees understand the training they received.

216.13 Training and Staff Development reflect that staff receive training specific to the requirements of the PREA standards. Training documents indicate all staff has been trained and new employees sign a Basic Training Acknowledgement that they understood the training they received. In service training must be passed by taking a quiz acknowledging understanding of the training. Staff interviews confirmed compliance with the standard and a sound understanding of the reasons for the requirements and their role in preventing, detecting and responding to PREA allegations. Based on the responses, this standard is deemed as exceeds. Random review of training records demonstrated compliance as well.

<b>Standard number here</b>	<b>§115.32– Volunteer and Contractor Training</b>
-----------------------------	---

- ☐ Exceeds Standard (substantially exceeds requirement of standard)
- ☒ Meets Standard (substantial compliance; complies in all material ways with the standard for the relevant review period)
- ☐ Does Not Meet Standard (requires corrective action)

**Auditor comments, including corrective actions needed if does not meet standard**

- (a) Train all volunteers/contractors with contact with inmates
- (b) Tailored to the services they provide, zero tolerance and how to report
- (c) Document that volunteers/contractors understand the training they received.

519.02 Sexually Abusive Behavior Prevention and Intervention Policy, 216.13 Training and Staff Development, and the Volunteer Orientation Handbook address the requirements of this standard. PREA language has been incorporated into the volunteer recertification quiz, ensuring that they understand the training. Documentation has been reviewed supporting that volunteers are trained and as noted, recertified.

<b>Standard number here</b>	<b>§115.33 – Inmate Education</b>
-----------------------------	-----------------------------------

- ☐ Exceeds Standard (substantially exceeds requirement of standard)
- ☒ Meets Standard (substantial compliance; complies in all material ways with the standard for the relevant review period)
- ☐ Does Not Meet Standard (requires corrective action)

**Auditor comments, including corrective actions needed if does not meet standard**

- (a) Intake, inmates receive information zero-tolerance, how to report
- (b) Thirty days, comprehensive information including retaliation
- (c) Current inmates educated within one year and upon transfer if different
- (d) Provide in format accessible to all inmates – disabled and limited English
- (e) Documentation of inmate participation in education sessions

(f) Ensure key information is readily and continuously available

Policy 401.03 Booking & Admissions as well as 519.02 Sexually Abusive Behavior Prevention and Intervention Policy address the requirements of this standard. The Inmate Orientation Handbook, which is provided within 24 hours of arrival, thoroughly reviews the information needed to educate the inmate population on how to prevent as well as report abuse and harassment. It includes the Department Duty Station phone number and information that it is not monitored. Additional education is provided at orientation within 7 days and participation is documented. Posters educating inmates on PREA were visible throughout the facility. This agency started educating inmates regarding PREA several years ago. A video is played on the inmate TV systems. Inmates interviewed acknowledged the viewing of the video.

<b>Standard number here</b>	<b>§115.34 – Specialized Training: Investigations</b>
-----------------------------	---

☐ Exceeds Standard (substantially exceeds requirement of standard)

☒ Meets Standard (substantial compliance; complies in all material ways with the standard for the relevant review period)

☐ Does Not Meet Standard (requires corrective action)

**Auditor comments, including corrective actions needed if does not meet standard**

- (a) Investigators have received special training
- (b) Includes techniques for interviewing abuse victims, Miranda and Garrity, sexual abuse evidence collection, criteria to substantiate
- (c) Documentation they have completed the training
- (d) State and DOJ provides training

519.04 Sexually Abusive Behavior Prevention and Intervention Policy addresses the requirements of this standard. In addition, as noted earlier, Massachusetts State Police have received training specific to PREA requirements. The training addresses interview techniques in addition to Miranda and Weingarten (union requirements for investigations) warnings and evidence collection.

<b>Standard number here</b>	<b>§115.35 – Specialized training: Medical and mental health care</b>
-----------------------------	---

☐ Exceeds Standard (substantially exceeds requirement of standard)

☒ Meets Standard (substantial compliance; complies in all material ways with the standard for the relevant review period)

☐ Does Not Meet Standard (requires corrective action)

**Auditor comments, including corrective actions needed if does not meet standard**

- (e) Full and part time medical and mental health care staff in the facility have been trained four requirements'
- (f) If they conduct forensic exams, they are trained
- (g) Documentation of training maintained
- (h) Also include training required for contractors and volunteer if that is their status

216.13 Training and Staff Development addresses the requirements of this standard. Review of documentation indicates that medical staff receives additional training regarding PREA and their role as medical staff in detecting signs, preserving evidence, how to respond effectively and when and how to report allegations.

<b>Standard number here</b>	<b>§115.41 – Screening for Risk of Victimization and Abusiveness</b>
-----------------------------	--

- ☒ Exceeds Standard (substantially exceeds requirement of standard)
- ☐ Meets Standard (substantial compliance; complies in all material ways with the standard for the relevant review period)
- ☐ Does Not Meet Standard (requires corrective action)

**Auditor comments, including corrective actions needed if does not meet standard**

- (a) All inmates assess during intake screening and upon transfer to another facility for their risk of being abused or being an abuser
- (b) Takes place within 72 hours
- (c) Objective screening instrument
- (d) Considers ten areas
- (e) Considers prior acts of violence
- (f) Reassess within 30 days inmates risk
- (g) Reassessed when warranted
- (h) Not disciplined for not answering
- (i) Appropriate controls on dissemination

519.24 Sexually Abusive Behavior Prevention and Intervention Policy and 650.02 Mental Health Services address the requirements of this standard. Documentation reviewed which demonstrates compliance includes a 72 hour Housing Risk Assessment (typically completed upon arrival) and a 30 day Housing Risk Assessment. The Booking Officer completes a portion of the screen; mental health staff (unless after hours the medical staff) completes a portion of the screen. Corrections Program Officers complete the 30 day review and any warranted reassessments. This screen has been completed on all current inmates. Information is maintained in a computerized format that affords the control of dissemination to only those staff needing to review the information. It further offers the ability to receive notifications if an attempt is made to place a predator and victim in the same cell.

<b>Standard number here</b>	<b>§115.42 – Use of Screening Information</b>
-----------------------------	---

☒ Exceeds Standard (substantially exceeds requirement of standard)

☐ Meets Standard (substantial compliance; complies in all material ways with the standard for the relevant review period)

☐ Does Not Meet Standard (requires corrective action)

**Auditor comments, including corrective actions needed if does not meet standard**

- (a) Information used to inform housing, bed, work, education to keep separated
- (b) Individualized determinations
- (c) Transgender case by case
- (d) Placement, programming for transgender determined twice a year
- (e) Transgender, intersex own views given serious consideration
- (f) Transgender, intersex given opportunity to shower separately
- (g) Not placed in dedicated facilities unless due to a consent decree

Several policies address the requirements of this standard: 420-07 Classification, 652.06 & .09 Identification, Treatment and Correctional Management of Inmates with GID, 650.01 & .03 Mental Health Services, and 750.11 Hygiene Standards. Additional documentation reviewed included classification plans, mental health treatment plan and memos authorization separate shower times. As noted, staffs complete the risk assessment. This information is used by staff responsible for housing decisions use this information in addition to input received from staff and inmates to make informed decisions about placement of this population which presents with additional challenges.

<b>Standard number here</b>	<b>§115.43 – Protective Custody</b>
-----------------------------	-------------------------------------

☐ Exceeds Standard (substantially exceeds requirement of standard)

☒ Meets Standard (substantial compliance; complies in all material ways with the standard for the relevant review period)

☐ Does Not Meet Standard (requires corrective action)

**Auditor comments, including corrective actions needed if does not meet standard**

- (a) High risk victimization not placed in involuntary segregation unless no other alternative the less than 24 hours
- (b) Will have access to programs, privileges, education, work to the extent possible. If restricted shall document limitations
- (c) Assigned to involuntary until alternative means not to exceed 30 days
- (d) Document
- (e) Review every 30 days

519.04 Sexually Abusive Behavior Prevention and Intervention Policy and CMR 423 Special Management Units address the requirements of this standard. Documentation indicates this facility has not had to place anyone in involuntary restrictive housing due to victimization. The

booking area and medical units are utilized to separate inmates until it can be determined how to address the allegation.

<b>Standard number here</b>	<b>§115.51 – Inmate Reporting</b>

- (b) One method to report to public or private entity
- (c) Staff shall accept verbal, writing, anonymous and third parties immediately and document
- (d) Agency provides a method for staff to report privately

519.03 Sexually Abusive Behavior Prevention and Intervention Policy addresses the requirements of this standard. The Inmate Orientation Handbook provides information to the inmate population regarding multiple avenues for reporting sexual abuse/harassment. Staff incident reports are marked confidential and go directly to the superintendent. Staff interviews confirmed they believed this system afforded them a private way to report incidents. Inmate interviews confirmed that the population has been educated on the multiple reporting mechanisms available to them. A phone number is available and posted near the phones which inmates can call. This line is not monitored but it does require the use of a pin number.

<b>Standard number here</b>	<b>§115.52 – Exhaustion of Administrative Remedies</b>
