# Vote on Commission Report

# Commission Report Changes

*There have been three changes made to the report since last week's meeting based on Commissioner feedback.*

- **Recommendation 10: Convene and Consult with Experts and Stakeholders.**
  - Administration and/or legislature should further convene with relevant experts and stakeholders to continue the work of the Commission and inform implementation of recommendations.
  - Subsequent convenings could include, for example, consideration and deliberation around legislative recommendations raised throughout the work of the Commission.
  
- **Appendix B: Written Testimony Submitted by Organizations.**
  - Appendix B outlines a list of organizations that submitted written testimony to Commission to inform its work.
  - It includes a link to a landing page with PDFs of testimony submitted by organizations.
  
- **Appendix C: Additional Recommendations from Individual Commission Members.**
  - Appendix C includes additional recommendations submitted by Sen. Fattman and Rep. Frost.

**Moved: The Commission approves the Report of the Special Commission on Emergency Housing Assistance Programs, as posted Friday, November 15.**
