- Received 403 comments – either oral, written or both
- 333 of these were repeated form email comments
- Have posted comments received on SWMP webpage
- Currently preparing response to comments document and Final Plan

# Waste Ban Enforcement

## Update - 2019

- Issued 337 notices of non-compliance (NONs) - no penalty
- Issued 17 consent orders with penalties (ACOPs)
  - \$53,000 total penalties
  - About 20 more currently in process
- Both more than double any prior year totals
- 32 NONs and 5 ACOPs for commercial organic material in whole or in part

# Waste Ban Enforcement Update

- 10 % increase in number of inspections and expect this to grow further in 2020
- Inspected over 9,300 loads of trash
- 1 in 4 loads flagged for banned materials

# Next Steps

- Continue to prioritize inspections, enforcement, and outreach
- Send more direct formal requests for information (particularly for commercial organic material)
- Additional waste ban materials – later discussion
