THE SIXTH ANNUAL HEALTH CARE COST TRENDS HEARING

The prominent, two-day hearing hosted annually by the Health Policy Commission will include a keynote address from Dr. Ashish Jha of the Harvard T.H. Chan School of Public Health and in-person testimony from top health care executives, industry leaders, and government officials. Questions will be posed from Massachusetts and national health care experts about the drivers of health care costs, health care reform efforts, and the state's performance under the Health Care Cost Growth Benchmark, measured by growth in Total Health Care Expenditures (THCE). From 2012– 2016, the state performed below the 3.6% benchmark set by the HPC, with 3.55% average annual growth in TCHE. The state's most recent performance (2017) will be released prior to this year's hearing.
