PRIVACY ACT NOTICE

The Massachusetts Environmental Police Boat and Recreational Vehicle Registration on and Titling Bureau is authorized under a number of federal and state laws to require applicants for registration on and title to provide their social security numbers. The Commonwealth uses this information to administer our registration and titling systems and associated laws regulation to the ownership, use and operation of vessels, recreational vehicles and snow vehicles. Providing a social security number is voluntary insofar as the Bureau will make reasonable accommodations for individuals who do not provide a social security number and can provide a driver's license number or passport number instead.
