JOINT PROJECT LEARNING TREE & PROJECT WET WORKSHOP

Date: Saturday, January 20, 2024

Time: 8:00am- 4:00pm

Location: John Augustus Hall

DCR DWSP Headquarters

180 Beaman Street, West Boylston

Cost: \$35.00 per person

PLT and Project WET programs invite you to an interdisciplinary workshop experience focused on watershed and forest health.

These award-winning environmental education programs are designed for teachers and other educators working with youth from K-12.

Each program features easy-to-use, hands-on, multidisciplinary activities designed to complement existing curricula and is useful in both classroom and informal settings.

For a \$35.00 registration fee, participants in this workshop will receive the Project Learning Tree and Project WET activity guides. Registration is limited to the first 15 registered. Confirmation and link for payment will be sent via email.
