

Participant	Question
Sigalle Reiss	Would custodial OT in a school be eligible before the Jan 20 if it was in response to a known exposure?

Answer

No, cleanings before January 20, 2020 are not eligible for FEMA PA, because the incident period did not begin until January 20, 2020. However, overtime for cleanings after January 20, 2020, should be eligible for a known exposure.
