

Project WILD®

Project WILD and Aquatic WILD Professional Development Workshop For Educators of Students in Grades K-12

Date: Saturday November 2, 2019

Time: 9:00 a.m. – 3:30 p.m.

Location: Buttonwood Park Zoo, 425 Hawthorn Street, New Bedford

<https://www.bpzoo.org>

Facilitator: Mary Beers, Teacher/Naturalist and John Hanlon, Teacher/Naturalist

Pre-registration required: Contact Pam Landry, MassWildlife, pam.landry@state.ma.us, (508) 389-6310. Registration deadline is October 19, 2019.

Don't miss this exciting opportunity to receive training in this award winning, interdisciplinary nationally recognized program! It is one of the most widely-used conservation and environmental education programs among educators of students in kindergarten through high school. The program emphasizes terrestrial and aquatic wildlife because of their intrinsic, ecological value, as well as their role in teaching how ecosystems function. Through the use of balanced curriculum materials and professional training workshops, Project WILD accomplishes its goal of developing awareness, knowledge, skills and commitment.

Workshop participants will receive a copy of the revised guides and a certificate of completion! This hands-on workshop has applications for school teachers, scout leaders, camp counselors, nature center staff, home educators, after care teachers, parents, etc.

*Please bring a bag lunch or purchase lunch on-site at the Bear's Den Café

*Wear clothes and shoes appropriate for indoor and outdoor activities

Project WILD (projectwild.org) is sponsored in the state by the Massachusetts Division of Fisheries and Wildlife.
