Definition: The term "Household Goods and Furniture" as used in this tariff means: The transportation of furniture and household goods in whole or in part incident to a move by a householder to or from a dwelling and a storage warehouse; or from one dwelling to another.

Estimates/quotations: Carrier cannot quote a firm price on a move from a residence or establishment to another if a public way has to be used by a vehicle. He may give a written estimate, but in doing so be quailed to estimate within twenty-five percent (25%) of actual charges. The final charges to be assessed shall be in accordance with actual tariff rates.
