

Public Access to Land Court Proceedings and Events

Unless otherwise noted on the Land Court's Daily List of events, public access to Land Court proceedings and events is available, in real time, via audio listen-in by calling the below Public Access Telephone Lines. If a Land Court event will be made available to the public in some other way (e.g. video livestreaming, in person), that information will be noted on the Daily List of events.

To listen to a Land Court event via a Public Access Telephone Line, follow these steps:

1. Identify the Judge to whom the case is assigned (or the Recorder for the Tax Session) on the Land Court's Daily List Report published on the court's website (see below).
