

PUBLIC FIRE AND LIFE SAFETY EDUCATOR

Prerequisite: None

Notes:

This is a first come-first serve class

Credits

FPO = TBD

FCC = 8

This course is designed to provide a community with the basis for a solid public education program and to properly train the fire department's lead S.A.F.E. educator. The topics covered include: child development; how people learn, focusing on different learning styles and the seven intelligences; lesson planning; curricula review; public speaking; program evaluation; and connecting lessons to the curriculum frameworks. The course concludes with students presenting a segment of instruction on a given topic for a specified age group.

This course consists of forty (40) hours of instructor-led classroom training.

This course meets or exceeds the job performance requirements in the NFPA Standard 1035 Standard for Professional Qualifications for Fire and Life Safety Educator, Public Information Officer, and Juvenile Firesetter Intervention Specialist for the Public Fire and Life Safety Educator I.

Prerequisite: There are no prerequisites to take this course. Note class locations and time.
