

DPH Issues Public Health Advisory on Recalled Outshine Fruit Bars

August 21, 2026

Division of Food Protection

[The Massachusetts Department of Public Health \(DPH\) is advising consumers and retailers about a voluntary recall of select Outshine Fruit Bars](#) because they may contain glass. The recalled products were distributed to retailers nationwide and may have been sold in Massachusetts.

Dreyer's Grand Ice Cream, Inc. issued the recall after receiving consumer reports of glass in the product. No illnesses or injuries associated with the recalled products have been reported as of August 18, 2026.

Recalled products

Consumers should check their freezers for recalled Outshine Fruit Bars. The recall includes specific batches of the following products:

- Outshine Strawberry Fruit Bars, six-count package of 2.5-ounce bars
UPC: 041548610047
- Outshine Grape Fruit Bars, six-count package of 2.5-ounce bars
UPC: 041548244044
- Outshine Watermelon Fruit Bars, six-count package of 2.5-ounce bars
UPC: 041548413624

- Outshine Black Cherry Fruit Bars, six-count package of 2.5-ounce bars
UPC: 041548000121
- Outshine Tangerine Fruit Bars, six-count package of 2.5-ounce bars
UPC: 041548612041
- Outshine Variety Pack Fruit Bars, 24-count package of 2.5-ounce bars
UPC: 041548816678

The UPC, batch code, and best-before date are printed on the bottom of the package. Consumers should compare all three pieces of information with the list in [the FDA recall announcement](#). A matching flavor or package size alone does not necessarily mean that the product is recalled.

No other Outshine products or varieties are included in the recall. Recalled products should not be eaten, sold, served, or distributed.

Action steps for consumers

- Check your freezer for recalled Outshine Fruit Bars
- Review the UPC, batch code, and best-before date printed on the bottom of the package
- Do not eat products included in the recall
- Throw away recalled products (listed above) or return them to where they were purchased
- Contact a health care provider immediately if you are concerned about a possible injury
- [Check the FDA recall announcement](#) for the most current product information, batch codes, best-before dates, and product photographs
