Public Hearing Notice: 2020 Draft Intended Use Plans

The Massachusetts Department of Environmental Protection (MassDEP), Division of Municipal Services, has released the 2020 Draft Intended Use Plans (IUPs) for the Clean Water State Revolving Fund (CWSRF) and Drinking Water State Revolving Fund (DWSRF). The purpose of the CWSRF is to assist communities in implementing the requirements of the Federal and State Clean Water Act. The purpose of the DWSRF program is to assist Public Water Suppliers to implement the requirements of the Federal Safe Drinking Water Act.

The Draft IUPs list by priority ranking those projects that MassDEP will recommend being financed through the Massachusetts Clean Water Trust (the Trust) in 2020. The Draft IUPs list those projects determined to be the most significant in terms of public and environmental health.

MassDEP will conduct public hearings on these Draft IUPs as follows:
