This meeting will provide an opportunity for the public to hear an overview of the Fitchburg – Water Street Bridges Replacement project, including proposed construction staging and traffic impacts. The proposed project would replace two bridges along Water Street (Route 12) in the City of Fitchburg. The bridge over the Nashua River (F-04-018) will have its superstructure replaced. The bridge over Boulder Drive and Pan Am Railroad (F-04-017) will be fully replaced. Audience members will have the opportunity to ask questions and offer comments.

All residents, abutters, local business owners, and interested commuters are invited to attend. A project fact sheet will be made available at the meeting. All attendees who sign into the meeting and provide an email address will be entered into the project's email database to receive construction updates.

This meeting is accessible to people with disabilities. MassDOT provides reasonable accommodations and/or language assistance free of charge upon request (e.g interpreters in American Sign Language and languages other than English, live captioning, videos, assistive listening devices and alternate material formats), as available. For accommodation or language assistance, please contact MassDOT's Chief Diversity & Civil Rights Officer by phone at (857) 368-8580, TTD/TTY at (857) 266-0603, fax (857) 368-0602 or by email to [MASSDOT.CivilRights@dot.state.ma.us](mailto:MASSDOT.CivilRights@dot.state.ma.us). Requests should be made as soon as possible prior to the meeting, and for more difficult to arrange services including

sign-language, CART or language translation or interpretation, requests should be made at least ten business days before the meeting.
