## **Worcester Kelley Square Improvement Project**

**Wednesday, January 23, at 6:00 PM \***

**White Room, Crompton Collective**

**[138 Green Street, Worcester](#)**

You are invited to join MassDOT at a public information workshop on the Kelley Square Improvement Project. At this workshop, the project team will present an update on the project design followed by a workshop to gather public input on landscape and streetscape design concepts.

MassDOT, in coordination with the City of Worcester, is undertaking the Kelley Square Improvement Project to improve safety and operations within the general Kelley Square area of Worcester. The project will address the safety and operational deficiencies all users face, including motorists, bicyclists and pedestrians, while also supporting the local businesses and residents who call Kelley Square home.

**For more information about the project, visit the website:**
