Re: Grinding Services Contract; Prevailing Wage Rates

Dear Ms. Swete:

This letter is In response to your request of April 5, 1996 regarding the applicability of prevailing wage rates to the upcoming contract for grinding services in the several towns that comprise the South Shore Regional Refuse Disposal Planning District.

As we discussed on the telephone today, prevailing wage rates apply to this project. I am enclosing a copy of the prevailing wage schedule which must be made available to all bidders.

Also enclosed are several request forms that you may use to acquire prevailing wage rates on future public works projects along with our prevailing wage "Guide" to help you better understand the requirements of the law.

I remain available if you have any questions on this project or on future projects.

Sincerely,

A handwritten signature in cursive script, reading "Robert J. Prezioso".
