February Vacation Programs

Thursday, February 23, 2023 10am – 11:00am

Winter Wildlife in New England

Mammals, birds, reptiles, and amphibians have all evolved to develop unique survival adaptations that allow them to withstand the cold and snow of a New England winter. Come learn about these animals through a fun and informative presentation, then go outside with a Ranger to see signs of what the wildlife at Quabbin is doing to survive this time of year. Please dress appropriately for the outdoor portion of the program.

Dogs are not allowed.

Meet at the Quabbin Visitor Center – 100 Winsor Dam Rd, Belchertown, MA

Register here: [School Vacation Program! Winter Wildlife in New England Thursday, February 23, 2023 10am – 11:00am \(smartsheet.com\)](#)

Wednesday, February 22, 2023, 10am-1:00pm

Road to the Past: Walk to Dana Common

Take a 2-mile (4-mile round-trip) walk to the past as we explore the road to Dana Common and look for signs of lives past.

This is appropriate for families who can walk four miles on a flat road. Please check the weather and dress in layers for a long outdoor walk. Bring water and snacks.

Dogs are not allowed

Meet at Gate 40, Rt 32A in Petersham <https://goo.gl/maps/d4RxN91vsvyHUzhEE6>
