.09 oz. of RYO constitutes one unit.

TOTAL UNITS SOLD (2025): _____

x \$0.0460645 = \$ _____

Escrow Deposit for this Quarter ¹

NOTE: You must produce documentation such as sales invoices to substantiate the reported RYO units and cigarettes sold in Massachusetts during the quarter being reported, regardless of whether a wholesaler/distributor is located outside of Massachusetts. This documentation must identify the entity (wholesaler/distributor/retailer) by name and address that the RYO and cigarettes were sold to, according to brand name and units sold.

¹ The escrow amount due is calculated by multiplying the number of Units Sold in the quarter being reported by the Base Amount times the Inflation Adjustment (see Exhibit C of the tobacco Master Settlement Agreement): e.g., by \$0.0460645 for sales in 2025. Withdrawals are permitted only as authorized by M.G.L. c. 94E, §2(b)(2). The escrow per stick, as adjusted by inflation, (\$0.0460645) is an estimate that assumes the minimum inflation adjustment of 3% and the Commonwealth reserves the right to adjust this amount and the corresponding escrow owed for 2025 sales.
