Quarterly Snapshot of the Prison Population Massachusetts Department of Correction

On any given day, about 6,100 inmates are housed in Department of Correction (DOC) facilities with even more inmates, who are under the jurisdiction of the DOC, located in non-DOC facilities elsewhere. The attached table provides detailed statistics on the DOC prison population by type of commitment (criminally sentenced, civil commitments and pre-trial detainees), original jurisdiction (county, state, federal or out-of-state) and institution. Below is a summary of the overall and various sub-populations based on **Mar. 31, 2025**:

- **DOC Jurisdiction Population**¹: An individual is under the Massachusetts (MA) DOC jurisdiction when the Commonwealth has legal authority over the individual regardless of where the inmate is being held to include those incarcerated in MA DOC facilities as well as those in correctional facilities outside of the MA DOC (County Houses of Correction, other state's correctional facilities and the Federal Bureau of Prisons).
- **6,106** = **DOC Custody Population**²: An individual incarcerated in a MA DOC facility.
- **5,562** = **State Criminally Sentenced Population**: Includes all criminally sentenced state inmates located in DOC facilities.
 - 18 = <u>County Criminally Sentenced Population</u>: Includes only those criminally sentenced inmates to respective counties being housed at the MA DOC. The vast majority are female inmates whose county of jurisdiction do not house sentenced females.
 - **Out-of-State and Federal Criminally Sentenced Population**: The majority of these inmates housed at the MA DOC from federal and other states' prisons are part of the Interstate Compact, whereby we have a fairly even exchange of DOC inmates in correctional facilities out-of-state.
 - **Pre-Trial Detainee Population**: Individuals in MA DOC custody detained prior to a trial and not yet convicted of a crime. Detainees are also held by the DOC from federal, out-of-state and parole's jurisdiction.
 - 2016, was committed to MCI-Framingham, a branch of the Massachusetts Treatment Center, pursuant to G.L. c. 123, \$ 35; or a female who has been committed to MCI-Framingham, a branch of the Massachusetts Treatment Center, pursuant to G.L. c. 123, \$ 35; or a female who has been committed to MCI-Framingham, a branch of the Massachusetts Treatment Center, pursuant to G.L. c. 123A.

This data is produced by the DOC Office of Strategic Planning & Research and available on the Department's website at: www.mass.gov/doc

¹ The data herein does not include Massachusetts inmates serving concurrent sentences in non-Massachusetts state or county facilities (MASSCC).

² As of July 7, 2015, a unit within Pondville Correctional Center had been allocated for inmates who have been granted parole and are in the Transitional Treatment Program. The unit was relocated to Boston Pre-Release as of December 7, 2016. They are considered parolees and are not part of our active count. On March 31, 2025, no parolees were housed in this program.
