What we do

Ready To Go assists members in widening transportation access to essential resources in the community. Below are some examples of how members utilize our services.

State of Vermont Reach Up Program – Ready To Go vans provide rides for Reach Up clients to access essential life activities — including jobs and child-care — enabling clients to overcome the barriers that have kept them from self-sufficiency. In 2013, Ready To Go gave more than 25,000 rides to Vermont residents!

Vermont Works for Women – Ready To Go partners with Vermont Works for Women's FRESH Food enterprise to deliver healthy meals to 15 daycare centers in Chittenden Counties.

Green Mountain Transit Association Medicaid – Our service transports clients to Medicaid appointments in Franklin and Chittenden counties.

Mount Ascutney Hospital and Health Center – Ready To Go coordinates shopping trips for area seniors to stores that otherwise would be inaccessible due to distance.
