

**COMMONWEALTH OF MASSACHUSETTS  
DIVISION OF ADMINISTRATIVE LAW APPEALS**

Middlesex, ss.

Board of Registration in Medicine,  
Petitioner,

Docket No.: RM-25-0533

v.

Amy Agrawal, M.D.,  
Respondent.

**RECOMMENDED ORDER OF DEFAULT**

On September 11, 2025, the petitioner, Board of Registration in Medicine (Board), issued a Statement of Allegations ordering the respondent, Dr. Amy Agrawal, to show cause why the Board should not discipline her for failure to respond to a board subpoena. The Board simultaneously referred the matter to the Division of Administrative Law Appeals (DALA) for recommended findings of fact and necessary conclusions of law. On September 17, 2025, DALA issued a notice for a pre-hearing conference. Dr. Agrawal did not respond to the Board's Statement of Allegations; she also did not appear at the pre-hearing conference on October 8, 2025. On October 14, 2025, the Board filed a motion for a default. I ordered Dr. Agrawal to respond by October 31, 2025. To date, she has not responded to, or otherwise contacted, DALA.

Dr. Agrawal has defaulted by failing to file an answer to the Board's Statement of Allegations, failing to appear for the pre-hearing conference, and failing to respond to the Board's motion for default. 801 CMR 1.01(7)(g)(2). The result is that DALA deems the Board's allegations as admitted. *See Chaudhary v. Bd. of Reg. in Med.*, RM-24-0668 (Div. Admin. Law App. Feb. 21, 2025), *affirmed by* Board of Registration in Medicine Adjudicatory Case No., 2024-058, Apr. 10, 2025).

The Board's factual allegations are that it received notice that Dr. Agrawal had voluntarily surrendered her clinical privileges at the Boston VA. Accordingly, it sent her subpoena to appear for an interview. She failed to appear for the interview or otherwise contact the board. That is grounds for discipline. 243 Code of Mass. Regs. § 1.03(5)(a)(16).

### **Conclusion and Recommendation**

I recommend the Board find that Dr. Agrawal defaulted in her matter before DALA and that the statement of allegations sets forth facts that support Board discipline. The Board should impose whatever discipline it deems appropriate.
