Board of Registration in Medicine,
Petitioner

v.

Docket No. RM-22-0264

George Madera, M.D.,
Respondent

Date: February 14, 2023

RECOMMENDED ORDER OF DISMISSAL

On June 30, 2022, Massachusetts's Board of Registration in Medicine issued a Statement of Allegations against Dr. George Madera, which, among other things, alleged that the New Mexico Medical Board had disciplined him.

On or about December 30, 2022 the New Mexico First Judicial District reversed the decision of the New Mexico Medical Board disciplining Dr. Madera; the court remanded the matter to the New Mexico Medical Board for another hearing.

On February 8, 2023, Massachusetts's Board of Registration in Medicine moved to dismiss the Statement of Allegations in this case, without prejudice, reserving the right to issue another Statement of Allegations if the New Mexico Medical Board disciplined Dr. Madera again.

I recommend that Massachusetts's Board of Registration in Medicine dismiss the Statement of Allegations.
