

# Recovery Pathfinder Program

**Director of Recovery Pathfinders**

**Lisa Whelan PhD**

**Phone: 508-291-8197**

**We are here to provide support, education, and resources to you and your families . We are here to help you navigate ways to better help you and your loved ones in your journey to recovery!**

- **FREE** service that will provide resources and support for **six months** to men after they release from section 35 at MASAC or Stonybrook.
- Pathfinder will meet you in person within two days of your release and will begin with weekly communication.
- Clients must **sign up for the program** while at the facility. Clients may decline services at any time.
- We encourage you to **sign releases** so your Pathfinder can work with your family or any provider in the community to better serve you!
- Pathfinders work with you in all stages of recovery, Including relapse. We do NOT section clients, we work to keep you out in the community.
- Pathfinders will work to get you connected to any resource you need! Food, clothing, housing, medical and mental health treatment, AA/NA, identification, financial assistance, or anything you need help with!
- Pathfinder will help you reach YOUR goals.

Start living a healthier, more connected lifestyle!
