Subject: **Reemployment Services and Eligibility Assessment (RESEA) Training**

Purpose: To notify Local Workforce Boards, One-Stop Career Center Operators, and other local workforce partners of the upcoming RESEA Training scheduled in March. DCS Central Programs Unit, DUA, and the MOSES team will conduct training:

Date: Wednesday, March 9, 2016

Time: 9:00 am - 4:00 pm

Location: DCS – Boston
19 Staniford St,
4th Floor – Gazda Room
Boston, MA 02114

This training is intended for any new employees or staff recently assigned to the RESEA Program. All staff conducting RESEA Reviews, scheduling CCS and/or providing reemployment services to RESEA customers must attend this training if they did not attend the full day training in 2015. All RESEA Specialists must attend this training prior to conducting RESEA Reviews. This session will consist of an overview of the RESEA Program with emphasis on the RESEA Program processes, MOSES data entry, common errors, and reports that are available to assist with managing the program, and communicating with DUA.

Background: The RESEA program has provided claimant entry to a full array of reemployment services available at Career Centers and has helped to ensure that claimants comply with all UI eligibility requirements. Individuals filing UI claims are active job

seekers who, through the state's RESEA program are made aware of the variety of reemployment services that are available to them. They are referred to the appropriate employment opportunities and reemployment service for their individual needs.

DCS and DUA are in full support and share the national vision and framework for providing increased and improved Reemployment Services (RES) to our UI claimant customers. Therefore, DCS and DUA will continue to implement Massachusetts' program model for UI claimants that has always leveraged reemployment services with RESEA components as part of the mandatory program.
