17. Responsibility for the coordination of topics addressed or services rendered is shared jointly with the OVC and the recipient. Where appropriate, the recipient will act jointly with OVC in accomplishing the following tasks: 1) determination of modifications to the program plan or budget; and, 2) design of data collection instruments. In executing this responsibility, OVC requires that its program specialist meet periodically with recipient (as determined by OVC) throughout the life of the project to discuss project activities, plans, problems, and solutions.
18. Responsibility for the day-to-day conduct of the project rests with the recipient. This specifically includes operations, data collection, analysis and interpretation.
19. Responsibility for general oversight and redirection of the project, if necessary, rests with OVC. OVC will review and approve all activities in the requirements under the various stages, as enumerated in the solicitation. This includes review and approval in a timely manner of all key personnel selections, consultants, assessments, plans, instruments, manuals, and documents developed or identified for use during the project, with suggestions for modifications. The program solicitation is hereby incorporated by reference into the Cooperative Agreement making it part of the overall agreement, requiring adherence to its overall design.
20. OVC reserves the right to take appropriate action in instances when the grantee fails to initiate activity on the grant or misses multiple time tasklines. OVC action may include, but is not limited to, termination or suspension of the grant.
21. Approval of this award does not indicate approval of any consultant rate in excess of \$450 per day. A detailed justification must be submitted to and approved by the Office of Justice Programs (OJP) program office prior to obligation or expenditure of such funds.
22. All contracts under this award should be competitively awarded unless circumstances preclude competition. When a contract amount exceeds \$100,000 and there has been no competition for the award, the recipient must comply with rules governing sole source procurement found in the current edition of the OJP Financial Guide.

This report will include detailed information about the project(s) funded, including, but not limited to, information about how the funds were actually used for each purpose area, data to support statements of progress, and data concerning individual results and outcomes of funded projects reflecting project successes and impacts. The final report is due no later than 90 days following the close of this award period or the

expiration of any extension periods. This report will be submitted to the Office of Justice Programs, on-line through the Internet at <https://grants.ojp.usdoj.gov/>.

25. The recipient agrees that it will submit quarterly financial status reports to OJP on-line (at <https://grants.ojp.usdoj.gov/>) using the SF 425 Federal Financial Report form (available for viewing at [www.whitehouse.gov/omb/grants/standard\\_forms/ff\\_report.pdf](http://www.whitehouse.gov/omb/grants/standard_forms/ff_report.pdf)), not later than 30 days after the end of each calendar quarter. The final report shall be submitted not later than 90 days following the end of the award period.
26. The recipient shall submit semiannual progress reports. The recipient agrees to comply with applicable requirements to report first-tier subawards of \$25,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients of award funds. Such data will be submitted to the FFATA Subaward Reporting System (FSRS). The details of recipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the Office of Justice Programs web site at <http://www.ojp.gov/funding/ffata.htm> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here. This condition, and its reporting requirement, does not apply to grant awards made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).
28. The grantee agrees to provide summary data to OVC on individual results and outcomes of funded grants in accordance with the Government Performance and Results Act. The data should reflect program/project successes and impact. The grantee organization must provide information in progress and final reports which is consistent with outcomes identified in the solicitation and the grantee's application for funding. The OVC project specialist is available to offer guidance on performance measures to grantees.
