|-----------------------------------|---|
| 1. Borrower: | Town of Hopkinton |
| 2. Address: | Town Hall
Hopkinton, MA 01748 |
| 3. Project Manager: | J.T. Gaucher |
| 4. DEP Contact and Address | Steven J. McCurdy
Division Director
1 Winter Street, 6th Floor
Boston, MA 02108 |
| 5. Project Title and Description: | Phase II Sewer System Evaluation Survey

The Phase I SSES the town conducted identified various sources of infiltration or inflow and recommended rehabilitation projects. The study also recommended a more extensive survey of the collection system to identify I/I and recommend cost effective remedies. The project includes a sewer system evaluation survey; further flow isolation surveys not studied in Phase I; flow and rainfall monitoring; complete dye testing in 6 locations identified in Phase I study; smoke testing; manhole inspections; internal building inspections; and cost-effective analysis of television inspection results. |

II. Approved Funding:
