

**Exhibit A**

I. General

1. Borrower: Town of Dartmouth
2. Address: Department of Public Works 759 Russells Mills Road  
Dartmouth, MA 02748
3. Project Manager: David Hickox
4. DEP Contact and Address Steven J. McCurdy  
Division Director  
1 Winter Street, 5th Floor  
Boston, MA 02108
5. Project Title and Description: I/I and SSES  
  
This project will consist of Infiltration and Inflow and Sewer System Evaluation (I&I, SSES) for areas of town that are tributary to the South Dartmouth and Clarence pumping stations. These areas of the town have been experiencing excessive infiltration and inflow leading to sewer back-ups and sanitary sewer overflow. The project will be conducted in accordance with DEPs 1993 Guidelines for performing Infiltration and Inflow and Sewer System Evaluation Survey. The project will identify the sources of the excessive I/I and recommend measures to address the deficiencies.

II. Approved Funding:

6. Eligible Costs: \$450,000.00
7. Financial Assistance: 2% Interest Loan
