

## **Hospital Quality and Equity Incentive Program Deliverable: RELDSOGI Assessment: Narrative Responses**

### Hospital Quality and Equity Incentive Program Deliverable: RELDSOGI Assessment: Narrative Responses

#### Acute Hospital Information

1. Name of the acute hospital
2. Name and title of individual(s) responsible for completing this assessment
3. Name and email address of individual(s) submitting this assessment

#### RELDSOGI Data Collection Questions

4. Optional: To complement information submitted as part of the RELDSOGI Table, please provide any additional narrative response to explain the acute hospital's current state of RELDSOGI data collection.
5. Describe anticipated actions your hospital will undertake to improve RELDSOGI data collection in the next five years, including related to the following domains:
  - a. IT system adaptations
  - b. Staff training
  - c. Workflow adaptations
  - d. Patient education

Please include major milestones anticipated to be achieved over the next five years related to each domain.
