RE: Notice of Final Action DoN Application No. 17122113-TO – Reliant Medical Group, Inc.

Dear Ms. Niewenhous:

At their meeting of March 6, 2018, the Commissioner and the Public Health Council, acting together as the Department, voted pursuant to M.G.L. c.111 section 51-53 and the regulation promulgated thereunder, specifically, 105 CMR 100.735, to approve with conditions the Determination of Need application filed by Reliant Medical Group, Inc. (Reliant), through which Collaborative Care Holdings, LLC (CCH), a subsidiary of Optum- a subsidiary of United Health Group Incorporated (OptumCare), will acquire certain assets, and corporate control of Reliant.

This Notice of Final Action incorporates by reference the Staff Report, and the Public Health Council proceedings concerning this application.

This Application was reviewed pursuant to M.G.L. c.111 section 51-53 and the regulation promulgated thereunder, specifically, 105 CMR 100.735. Based upon a review of the materials submitted, the Department finds that the Applicant has met each DoN factor and approves this Determination of Need application pursuant to 105 CMR 100.735. Approval is subject to 105 CMR 100.735(D)(3) relative to noncompliance, to the Standard Conditions relevant to Transfers of Ownership.

With specific reference to standard condition 105 CMR 100.310(L), which requires annual reporting by Holders, reporting shall include updates on implementation of the Care Transformation Initiative (“CTI”) and Master Facilities Plan (“MFP”), as well as an affirmation that any changes in the payer mix have not had a negative consequence on patient access.

Ongoing compliance with the conditions and all terms of the DoN is, pursuant to the Regulation, a precondition to the filing of any future DoN by the Holder.

Sincerely,

~S~
