RENTAL CAR POLICY

I. PURPOSE AND OVERVIEW

The Department recognizes the need of employees, in rare circumstances, to rent a car in the completion of their duties. This policy provides a definition of "rare circumstance" and outlines the procedure to be followed in each office to rent a car.

II. POLICY

It is the policy of the department that in rare circumstances, employees may need to rent a vehicle for the performance of their duties. Those circumstances include times when:

1. the employee's personal vehicle is inadequate for a particular job task;
2. the safety of the employee requires anonymity of the vehicle they are using;
3. the health issues of a consumer warrant using a different vehicle; and
4. the employee needs to service consumers on Nantucket and Martha's Vineyard.

In those circumstances, employees may request the use of a rental vehicle through the Commonwealth of Massachusetts' Car Rental Contract, or successor contract, in order to perform their work. The Department will pay for the rental car in lieu of the employee submitting mileage reimbursement. Other travel expenses will be reimbursed according to the Travel Reimbursement Submission, Documentation, and Approval Policy.

Management, in their sole discretion, will determine whether the situation meets the criteria of a rare circumstance as outlined above.

Employees who rent a car are responsible for any and all traffic violations (parking ticket, speeding ticket, etc.). Unapproved/unauthorized rental of a car will not be reimbursed.

III. PROCEDURES

1. **Determine Manager Designees:** Area Directors, Regional Directors, and the Commissioner (for Central Office) designate a manager within the office to make the determination of rare circumstances and approve requests for rental cars. Area Directors, Regional Directors, and the Commissioner (for Central Office) will also designate a processor of the approved requests to create the rental car agreement.
2. **Complete Request Form:** Worker completes a car rental approval request form and reviews with Supervisor. Request form must include the following information:
 - Description of the rare circumstance warranting the request for a rental car
 - Number of days needed (if more than 1 day, whether car will be used after hours)

- Type of car (compact, standard, van, etc.)
 - Information necessary to complete rental contract agreement (employee license #, credit card for damages incurred, etc.)
3. **Supervisor Approves:** Supervisor reviews the request form and ensures there is no missing information. Supervisor signs their approval on the form and submits form to Manager designee for review and approval.
 4. **Manager Determines Rare Circumstances:** Manager designee reviews request form and determines whether or not the request meets the criteria of rare circumstances. If yes, Manager designee signs the request form and forwards to the designated processor. Extraordinary circumstances that do not fit into the criteria noted above may be approved using managerial discretion with Regional Approval.
 5. **Create Rental Car Agreement:** Designated processor initiates rental contract via Commonwealth's car rental contract website, or successor site. Designated processor confirms rental agreement completion with employee.
 6. **Pick Up and Return Car:** Once approved, employee is responsible for coordinating pick up and drop off of the rental car. To the extent the employee needs to modify the rental car terms (length of rental, type of car, etc.), they must obtain prior approval from the Manager designee. Employee is responsible for filling up the gas tank upon drop off if required to do so by the rental agreement. Employee is responsible for any damage to the car not covered by insurance.
