*MARCH 2020*

**REPORT OVERVIEW**

Massachusetts General law, Chapter 18, Section 2(B)(r) requires that DTA file an annual report detailing the number of clients receiving Transitional Aid to Families with Dependent Children (TAFDC) under an eligible noncitizen status, as described in 106 CMR 203.675.

**DEPARTMENT OF TRANSITIONAL ASSISTANCE MISSION**

DTA’s mission is to assist and empower low-income individuals and families to meet their basic needs, improve their quality of life, and achieve long-term economic self-sufficiency. DTA offers a comprehensive system of programs and supports to help individuals and families achieve greater economic self-sufficiency, including food and nutritional assistance, economic assistance, and employment supports.

DTA serves one out of every nine people in the Commonwealth including working families, children, elders, and people with disabilities.

**ELIGIBLE NONCITIZEN STATUSES FOR TAFDC**

Noncitizens’ eligibility for TAFDC depends on their status as defined by the Immigration and Nationality Act (INA),<sup>1</sup> the date that status was granted, and the meeting of other specified criteria. There are 11 unique statuses that can determine noncitizen applicants’ eligibility for TAFDC benefits. Those statuses are as follows:

- Veteran or Active Duty Personnel

- Refugees
- Asylees
- Withholding of Deportation
- Parolees
- Conditional Entrants
- Battered Noncitizens
