***Local Consumer Aid Fund Programs:
Local Consumer Program***

Release Date: April 2, 2026

Responses Due: May 1, 2026

Project Start Date: July 1, 2026

Project End Date: June 30, 2027

The Office of the Massachusetts Attorney General (AGO) is pleased to announce a funding opportunity for Local Consumer Programs (LCPs). Funding is available under the Local Consumer Aid Fund (“LCAF”), which is created by [M.G.L. c. 12, § 11G](#). Grants will be awarded for the period from July 1, 2026 to June 30, 2027. All funds must be expended by June 30, 2027; unexpended funds must be returned to the Commonwealth. Eligible grantees include programs that attempt to resolve consumer issues through advocacy efforts.

This Call for Grant Applications is subject to and contingent upon the availability of funds.

The AGO anticipates grant awards to range from \$40,000 to \$125,000. Funding is based upon service area that the applicant will cover; ability to meet the provisions of this Call for Grant Applications; and, for existing grantees, the history of funding and prior performance. Applicant budgets may or may not be funded in their entirety, or at all. All funding decisions will be at the discretion of the AGO.

Applications are due by **5:00 p.m. on May 1, 2026**. Subject to receipt of all necessary documents and reports, successful applicants will be notified during the month of **June 2026**. In the absence of any special conditions, successful applicants who have correctly completed and returned all required grant contract documents will be awarded one half of the funds after execution of the grant contract. The rest of the funds will be distributed on a semi-annual basis, provided compliance with all reporting and other requirements is met.

Eligibility: Applications will be accepted from: (1) any 501(c)(3) organization that is in good standing with both the AGO’s Non-Profit Organizations/Public Charities Division (NPCD) and the Internal Revenue Service, (2) any local governmental agency (e.g., District Attorney's Office, Mayor's Office, Town Office of Elder Affairs), or (3) any college or university.

Non-profit organizations must be in full compliance with the statutory requirements set forth in G.L. c. 12, §8E and 8F, and G.L. c. 68, §19, including initial registration and filing of annual financial reports with NPCD. Certain organizations may be exempt from filing under the regulation; see 940 CMR 2.02 for more information. Non-profit organizations must also comply with obligations and reporting requirements set by the Internal Revenue Service.

NPCD requires that all charitable registration and annual filings to be made through its Online Charity Filing Portal. Additional information can be found [here](#).

Program Standards and Responsibilities: Applicants must accept and implement the Local Consumer Program Grant Standards and Responsibilities in full. By accepting funds, applicants agree to follow the Program Standards and Responsibilities in their entirety. Deviation from the Standards and Responsibilities or the program plans and expenditures outlined in the organization's application may be grounds for funding termination, reduction, or suspension. Disbursement of funds may be conditioned upon programmatic or budgetary changes requested by the AGO.

If a grantee fails to implement the Standards and Responsibilities at any point during the grant year, the grantee may forfeit additional disbursements under the grant and be precluded from consideration of future grant opportunities. Applicants should go to www.mass.gov/ago/grants to review LCP Standards and Responsibilities prior to submitting their applications.

Grant Proposal Submission: The AGO uses a grant management software system which allows

organizations to submit their grant applications online. Interested applicants may access the application [here](#).

New applicants will be asked to create a free online account. Any applicant that has applied for any AGO grant using the online grant application website may log into its existing account. All applicants should confirm their contact information is current on their applicant profiles. Applicants should allow sufficient time to register online and complete the application by the deadline.

Grant applications with accompanying proposals must be delivered electronically through the AGO's online grant application website by **5:00 p.m.** on **May 1, 2026**. Applicants must complete the online application in its entirety.

Confirmation of Receipt: Applicants typically receive an email confirmation within 48 business hours; if one is not received, please call the AGO Grants Team at **617-963-2150** for assistance.

The following documents will be required upon notification of a grant award at a deadline established by the AGO and should not be submitted with the grant application:

- Standard Contract Form
- Scope and Services Agreement
- Contractor Authorized Signatory Listing

The following documents must be submitted with the grant application:

- Request for Taxpayer Identification Number and Certification (W-9)

Budget: Applicants must provide a budget, outlining in a separate line-item, each expenditure the applicant plans to make and accounting for all monies the applicant plans to spend and all in-kind donations and additional funding sources.

Selection Process: This Call for Grant Applications is subject to and contingent upon the availability of funds. Applicants will be considered for funding based on the organization's capacity to meet and adhere to the requirements outlined in this Call for Grant Applications and LCP Standards and Responsibilities, demonstrated need, and availability of funds. Prior LCP grant recipients will be evaluated further on the timeliness and accuracy of their required reporting, past performance of consumer outreach events, and their satisfactory implementation of the LCP Standards and Responsibilities during the most recent grant year.

Applicants should demonstrate the ability to work with underserved populations in their communities and have a strong history of community engagement. Please note that past award of a similar grant, or any prior grants from the AGO, is not a guarantee of award under this RFP.

Any application that does not meet the submission requirements may be considered non-responsive

and may be disqualified without further evaluation. The AGO may, at its discretion, determine that non-compliance is insubstantial and can be corrected, or that an alternative proposed by the applicant is an acceptable substitute. In such cases, the AGO may seek clarification, allow the applicant to make minor corrections, apply appropriate adjustments in the evaluation, or apply a combination of all three remedies.

All applicants will be notified of the status of their application during the month of **June 2026**. A listing of successful applicants will also be posted on the AGO website, www.mass.gov/ago/grants.

Informational Session: An informational session will be held on **April 6, 2026, at 10:00 a.m.** to provide further details on the Local Consumer Program Grant. Attendance is strongly encouraged for all interested applicants. Registration for the informational session can be found [here](#).
