1. Request Gender and Payer Mix data for 2023 (Jan-Dec) so that we can use the most recent data when presenting information on BOSS patients in the report.

- 2023 BOSS patients - Gender:

Gender	2023 Count (Jan-Dec)	2023 % (Jan-Dec)
Male	1,930	58.8%
Female	1,352	41.2%
Total:	3,282	100%

- **2023 BOSS patients - Payer Mix:** Please note the count is higher than the patient gender count because some patients have multiple insurance plans (primary and secondary).

Payer Mix	2023 Count (Jan- Dec)	2023 % (Jan-Dec)
Commercial	2,477	64.8%
VA/Workers Comp/Other/Self Pay	493	12.9%
Medicare	708	18.5%
Medicaid	146	3.8%
Total	3,824	100%
