**MA COVID-19 Recklist**

**Step(s) to Take:**

- Make sure to follow the guidelines provided by LWONMS to ensure a safe and healthy environment.
- Maintain proper hygiene practices at all times.
- Ensure that surfaces and objects touched frequently are cleaned.
- Practice physical distancing when in public places.
- Use hand sanitizers regularly.
- Wear masks when necessary.
- Stay informed about the latest developments related to COVID-19.

**Important Notes:**

- Regular monitoring of health and safety protocols is essential.
- Compliance with local and national guidelines is mandatory.
- Regular communication with health authorities is crucial.
- Continuous improvement of practices is necessary.

**Additional Resources:**
