

Massachusetts Department of Environmental Protection
 Environmental Results Program
Return to Compliance Plan for
Outdoor Hydronic Heaters

 Name of Manufacturer

 City/Town & State of Manufacturer

 Name/Model Number of OHH

Important:
 When filling out forms on the computer, use only the tab key to move your cursor - do not use the return key.

Instructions

Complete a separate Return to Compliance Plan for *each* compliance question answer that requires one.

Submit a Return to Compliance Plan *only* for violations that you were unable to correct *before* certifying.

Completing this form does not relieve you of your affirmative responsibility to operate in compliance with applicable regulations. Failure to operate in full compliance with the applicable regulations may result in enforcement actions that may include fines or penalties.
