The Department will hold public and evidentiary hearings in this matter on **January 22, 2014**. The hearings will take place at:

10:00 a.m.
1000 Washington Street
Hearing Room 1E
Boston, MA 02118

All common carriers identified above are directed to attend the aforementioned evidentiary hearing and provide to the Department in writing the following information, on or before **Friday, January 3, 2014**:

1. Whether the company filed the annual return for the relevant calendar years. If so, provide a copy of the annual return(s) and documentation of the filing(s). If not, explain why, and state whether the failure to file is reasonable.
2. Whether the company provided telecommunications services in Massachusetts during the relevant calendar year(s).
3. If applicable, state whether the Secretary of the Commonwealth has reinstated the company's authority to do business within the Commonwealth.
4. If applicable, provide the current company address, contact information, and an amended tariff and Statement of Business Operations reflecting that change.

If any common carrier identified above fails to attend the evidentiary hearing or timely provide the Department with the information requested above, the Department may make adverse findings of fact and order corrective action, including: finding that the common carrier failed to file its annual return(s); cancelling the company's registration and intrastate tariff(s) on file with the Department, thus preventing the company from operating and/or providing telecommunications services within the Commonwealth; assessing statutory forfeitures; and referring the matter to the Attorney General for enforcement.

This proceeding has been docketed under the generic docket number, D.T.C. 13-AR, with a sequential number for each individual case, D.T.C. 13-AR-1 through D.T.C. 13-AR-17, and is a formal adjudicatory proceeding conducted under G. L. 30A and 220 C.M.R. § 1.00 *et seq.* of the Standard Adjudicatory Rules of Practice and Procedure.

Any person who otherwise desires to file written comments or participate in these proceedings must file an original and two copies of such written comments or petition for leave to intervene not later than 5:00 p.m., **Friday, January 3, 2014**, with:

Catrice Williams, Secretary
Department of Telecommunications and Cable
1000 Washington Street, Suite 820
Boston, MA 02118-6500

Filings relative to a specific common carrier must reference the complete docket number assigned to that company. A petition for leave to intervene must satisfy the timing and substantive requirements of 220 C.M.R. § 1.03. Receipt by the Department, not date of mailing, constitutes filing and determines whether a petition is timely filed. A petition filed late may be disallowed as untimely, unless good cause is shown for waiver under 220 C.M.R. § 1.01(4). To be allowed, a petition under 220 C.M.R. § 1.03(1) must satisfy the standing requirements of G. L. c. 30A, § 10. Any written comments or petitions for leave to intervene must be accompanied by signed and sworn affidavits.

Accommodations for deaf or hearing-impaired persons at the public and evidentiary hearings will be available upon request to the Department. All requests for such accommodation must also be received by 5:00 p.m., **Friday, January 3, 2014**.

Please also submit all responses, pleadings, or comments to the Department by email attachment to dtc.efiling@state.ma.us, with copies to Catrice.Williams@state.ma.us, Ursula.Estremera@state.ma.us, and Kerri.DeYoung@state.ma.us. Documents submitted in electronic format will be posted on the Department's website at www.mass.gov/dtc.

By Order of the Department
