

Route 1A Corridor Study- Public Meetings #4 and #5

What is happening?

The Massachusetts Department of Transportation (MassDOT) is conducting a study to assess the potential uses of the MassDOT and MBTA rail parcels located between Route 1A and the Chelsea Creek and evaluate the Route 1A corridor between Bell Circle in Revere and Day Square in East Boston. The study will identify opportunities to improve connections for people walking, biking and taking transit, and address safety issues and potential impacts of climate change.

Why are we holding these meetings?

At these two public meetings, MassDOT will present its key findings from the alternatives analysis process and solicit feedback from the public. The presentation and public comment format will be the same for both meetings, so attendees can feel free to attend either meeting. Please note that these meetings will be held virtually and will be recorded.

You can pre-register for the meetings at:

- [Tuesday, December 20, 2022 at 6:00 PM](#)
- [Thursday, January 19, 2023 at 6:00 PM](#)

Visit www.mass.gov/route-1a-corridor-study for more information.

This meeting is accessible to people with disabilities and those with limited proficiency in English. Live closed captioning in English and Spanish interpretation will be available. Accessibility accommodations and language services will be provided free of charge, upon request, as available. Such services include documents in alternate formats, translated documents, closed captioning, and interpreters. For more information or to request a reasonable accommodation and/or language services, please contact MassDOT's Office of Diversity and Civil Rights by phone (857-368-8580), fax (857-368-0602), TTD/TTY (857-368-0603) or by email MASSDOT.CivilRights@dot.state.ma.us. Project inquiries may also be emailed to Rt1ACorridorStudy@dot.state.ma.us.
