

Route 79-Davol Street Corridor Improvements Public Information Meeting

What is happening?

A Live Virtual Public Informational Meeting has been scheduled on March 30 at 6:30 pm to present a construction update and an overview of upcoming impacts. The meeting will begin with a presentation that provides an overview of construction activities and resulting travel and parking effects. Members of the project team will then be available to respond to questions and comments from attendees.

How will this affect you?

Davol Street and Route 79 run along the Taunton Riverfront in Fall River. MassDOT is redesigning the mile-long corridor to improve mobility, connectivity, and safety along and across Route 79 and Davol Street. The project team will provide updates and notifications about upcoming construction impacts, including changes to available parking and the need for detours adjacent to work zones. Click the link or scan the QR code to learn more, register for the meeting, or to sign up for project updates.

To ensure its meetings are accessible, MassDOT reasonably provides: translation, interpretation, modifications, accommodations, alternative formats, and auxiliary aids and services. To request such services, please contact MassDOT's Chief Diversity and Civil Rights Officer at 857-368-8580 or MassDOT.CivilRights@dot.state.ma.us. For adequate time to process such request, please make them as early as possible, ideally 10-15 days prior to the event.

Project inquiries may also be emailed to Route79DavolSt@dot.state.ma.us

Please submit any written statements regarding the proposed undertaking to: Carrie A. Lavalley, P.E., Chief Engineer, MassDOT, 10 Park Plaza, Boston, MA 02116, Attention: HIGHWAY DESIGN, PROJECT FILE NO. 68970.
