John Wassam
Mass D.O.E.R.
100 Cambridge St Suite 102
Boston, MA 02114

7/5/19

Dear Mr Wassam

No to biomass as part
of R.P.S ! It is too polluting
and incentivizes the burning
of trees. This is not renewable
clean energy and is going in
the wrong ^{little} _{notes™} climate direction
