The Board discussed incidents that were given to them prior to this meeting date from 2017 to the most recent in 2021. All involving minors of the age 13 years old and younger, including any and all patrons falling out of a chairlift.

Roger "Bo" Adams indicated that he thoroughly read each incident and that the "incident report" say the every incident was a result of the rider

being impatient especially when the incident was a young child. The fall was caused by the impatience of loading onto the chair correctly. Paul Maloney indicated that the unload of how people move forward too can cause a patron to fall out of the lift. Jeff Crowley indicated that he is willing to create a "Safety Video" narrow down to at least two minutes for each skier to watch before skiing.
