DEPUTY SUPERINTENDENT

December 4, 2025

Dear Candidate:

The Massachusetts State Police (MSP) will soon begin the selection process for the 93<sup>rd</sup> Recruit Training Troop. All candidates who elect to participate in this selection process do so with the understanding that the MSP reserves its right to modify or terminate this selection process if circumstances so dictate. Notwithstanding this reservation, the MSP will begin the selection process for the 93<sup>rd</sup> RTT. To this end, our plan is to begin processing candidates from the 2025 Initial Enlistment Eligible List within the next several months.

Candidates invited to compete for an appointment to the 93<sup>rd</sup> RTT received an examination score on the 2025 MSP Eligible List of 81.86 or greater<sup>1</sup>.

This letter contains a great deal of information and must be read carefully and completely. Read the letter several times and keep it in a safe place. Be clear that your examination score does not guarantee you an appointment to the State Police Academy; it simply provides you with an opportunity to compete. Your candidacy will be evaluated in terms of your fitness, medical and psychological suitability, personal background, compliance with the MSP's tattoo policy as well as your attention to detail, ability to follow direction, and demeanor. There will be little tolerance for one's inability to comply with directions. Your failure to attend any scheduled activity or meet any deadline will be considered a voluntary withdrawal from the selection process.

It is critical that all candidates remain completely truthful throughout the selection process. Failure to be completely truthful during any of the selection activities will result in your immediate termination from the selection process or from employment if such untruthfulness is discovered after an offer of employment has been extended. Candidates who are untruthful will also be removed from the MSP's 2025 Enlistment Eligible List and consequently eliminated from all other MSP employment opportunities that may otherwise result from the 2025 MSP Eligible List.

**CANDIDATE NUMBER:** For this selection process the Department of State Police has assigned you a unique *Candidate Number*. Your candidate number appears on the December 4, 2025, letter from Chief Administrative Officer Michelle E. Small and the "Interest Selection Form" that were emailed to you.

---

<sup>1</sup> The Massachusetts State Police presently estimates that the number of candidates with a score of 81.86 or greater will provide the Department enough candidates from which to make final appointments to the 93<sup>rd</sup> RTT. In the event the MSP determines that additional candidates are necessary they will be contacted under separate cover.

Your *Candidate Number* is comprised of a prefix that associates with the Recruit Training Troop number (i.e., “93”) and a suffix that loosely corresponds to your placement on the list of candidates being processed.<sup>2</sup> Your *Candidate Number* distinguishes you from all other candidates. Your *Candidate Number* will be used to identify you throughout the selection process. This number will serve as your personal identifier. **Retain this number.**

**FUTURE CORRESPONDENCE AND INFORMATION:** Announcements, employment forms, bulletins and the scheduling of selection activities will be administered through the Department’s web page. The link for the 93rd RTT can be found on: [mass.gov/orgs/msp](https://mass.gov/orgs/msp) . **It is your responsibility to monitor this website for announcements and the scheduling of selection activities.** Your failure to satisfy any of the requirements of the selection process or your failure to attend a selection activity will be considered a voluntary withdrawal from the selection process. If recorded as a voluntary withdrawal, your name will be removed from the MSP’s 2025 Eligible List.

Candidates will also be notified of certain selection activities and results by email. You must monitor both the 93rd RTT Web Page as well as your email daily.

### **IMMEDIATE ACTION ITEMS:**

#### **1. COMPLETE THE “*PHYSICAL FITNESS TEST REGISTRATION FORM*”.**

Your personalized “Physical Fitness Test Registration Form” was enclosed in the December 4, 2025, mailing. You are required to complete this form electronically and submit **no later than December 18, 2025 by 5:00 p.m.:**

***Physical Fitness Test Registration Forms not received by December 18, 2025, will result in the candidate’s removal from the MSP’s 2025 Eligible List.***

#### **2. MONITOR THE 93rd RTT WEBSITE AT THE MSP WEB PAGE ([mass.gov/orgs/msp](https://mass.gov/orgs/msp)) FOR THE FOLLOWING SCHEDULED SELECTION ACTIVITIES AND OTHER INFORMATION:**

**Physical Fitness Assessment:** All candidates competing for an appointment to the 93rd RTT must pass the Department’s physical fitness assessment. The date, time and reporting instructions for your physical fitness assessment will be emailed to you by Human Resources to confirm your date you choose on the form. **If you are not actively training, you must start today!**

The physical fitness assessment will consist of a 1.5-mile run, job-related obstacle courses, and push-ups and sit-ups. Push-ups and sit-ups have recently been added to our battery of fitness tests but are not used by the MSP as an entrance standard; however, they will be used to help assess your present state of readiness for the physical rigors of the State Police Academy.

Failure to attend your physical fitness assessment will be considered a voluntary withdrawal from the selection process.

You must bring the following three documents with you on the day of your 1.5-mile Physical Fitness Assessment. Those candidates who pass the Physical Fitness Assessment should be prepared to take the Psychological Assessment on that day.

These documents are posted at the **93rd RTT website:**

<sup>2</sup> In the event you are a candidate that received a deferral from a previous RTT, the prefix of your *Candidate Number* will reflect the RTT from which you carried forward.

- ❖ **Medical Certification Form** – The *Medical Certification* form must be signed by your physician or nurse practitioner and brought with you on the day of your fitness assessment. Securing your medical provider’s authorization is your responsibility. This medical examination must be conducted by a physician of your choice and at your own expense. Your physician must complete and sign the *Medical Certification* form that will be posted on the website. The medical examination and authorization may be completed by a physician assistant or nurse practitioner. This release must be presented on the day of your fitness assessment. Candidates who fail to present a signed *Medical Certification* form on the day of their fitness assessment will not be allowed to participate. Posted at: [>>93<sup>rd</sup>](http://www.mass.gov/msp) RTT>>Medical Assessment.
- ❖ **Physical Fitness Screening Release Form** – The *Physical Fitness Screening Release Form* must be signed, witnessed, and brought with you on the day of your assessment. It must be signed by you and a witness. (NOTE: The witness does not need to be a Notary Public.) Posted at: [>>93<sup>rd</sup>](http://www.mass.gov/msp) RTT>>Fitness Assessment.
- ❖ **93rd RTT Application** – When you report for your 1.5-mile run, you will submit a fully executed and signed Trooper Application (including all attached releases). The Trooper Application is lengthy and requires significant time to complete. The application is a fillable pdf. Save the pdf to your drive and work on it as time permits. Save all changes frequently as you complete the application. As stated earlier, truthfulness and complete candor is paramount when completing the application. Once completed, print the application and sign at all designated locations in pen. The application will be posted at: [>>93<sup>rd</sup>](http://www.mass.gov/msp) RTT>>General.

**Psychological Assessment:** The psychological suitability of all candidates will be assessed as a component of the selection process. For those candidates that pass the physical fitness assessment they should expect to participate in a psychological assessment on the same day as their physical fitness assessment. Candidates that fail their physical fitness assessment but pass on their makeup date will be scheduled at a later date and time for their psychological assessment. For these candidates reporting instructions will be posted on the 93rd RTT website (“93rd RTT”>>” Psychological Assessment”).

**Medical Assessment:** The medical suitability of all candidates will be assessed as a component of the selection process. Dates and times for the medical assessment have not yet been finalized. The date and time for your medical assessment, along with reporting instructions, will be posted to the 93rd RTT website (“93rd RTT”>>” Medical Assessment”). Scheduled activities will be posted to the web page using your Candidate ID number. Failure to attend your medical assessment or any other scheduled activity or to meet a deadline will be considered a voluntary withdrawal from the selection process.

## **1. ADDITIONAL IMPORTANT INFORMATION**

**Tattoos:** The policy will be posted on the “93rd RTT” web page (“93rd RTT”>>” Tattoo Compliance”) in the near future.

**Process Compliance:** Failure to satisfy any requirement of the selection process or to attend a scheduled event, or to meet a deadline – at any point in the process – will be considered a voluntary withdrawal from the selection process. If recorded as a voluntary withdrawal, your name will be removed from the MSP’s 2025 Eligible List for appointment to the State Police.

**Correspondence:** As the selection process proceeds, virtually all correspondence will be transmitted by way of the Department's "93rd RTT" web page. Appointments will be referenced by way of your *Candidate Number*. Names will not be used. In the event you need to communicate with the Department of State Police, you will do so via email. All correspondence will be sent to [MSPRTT@pol.state.ma.us](mailto:MSPRTT@pol.state.ma.us). You will retain copies of all email correspondence sent and received. In the event of an emergency or if there is an immediate need to contact someone at the Department of State Police, you may telephone my office at 508-820-2352. Telephone calls are limited to emergency or time-sensitive matters.

**Photo ID:** Whenever attending a selection activity, candidates must always have a valid photo identification with them (preferably a driver's license).

In conclusion, please be clear that this invitation to participate in the selection process for the 93rd RTT does not guarantee you an appointment to the State Police Academy; it simply provides you an opportunity to compete. Our selection process is highly competitive, our training is extremely rigorous, and our Department is the best in the country. You have been challenged to compete for an appointment. If you are ready to accept the challenge, I wish you the best and look forward to receiving your *Physical Fitness Form* no later than December 18, 2025.

Sincerely,

Michelle E. Small  
Chief Administrative Officer  
Massachusetts State Police
