

<b>Patient Information Sheet</b>
----------------------------------

Quadrant Health Strategies understands and respects concerns regarding providing personal information. Our office utilizes a professional document destruction company to assure that all information is destroyed properly to prevent unauthorized access to your information.

If you are here for a drug or alcohol test your social security number is a unique number that the LAB and/or Medical Review Officer uses to make sure that the results reported are specific to you. If you decline to provide your social security number or at least the last 4 digits of your social security number you must provide us with a unique number issued by your employer or their Third Party Administrator.

***Please Print Information Clearly***
