Notwithstanding the foregoing, the Licensee shall not be obligated to indemnify the Town for any damages, liability or claims resulting from the willful misconduct or negligence of the Town or for the Town's use of the Cable System, including any PEG channels.

With respect to Licensee's indemnity obligations set forth herein, Licensee shall, at its own expense, provide the defense of any claims brought against the Town by selecting counsel of Licensee's choice to defend the claim, subject to the consent of the Town, which shall not unreasonably be withheld. Nothing herein shall be deemed to prevent the Town from participating in the defense of any litigation by its own counsel at its own cost and expense, provided however, that after consultation with the Town, Licensee shall have the right to defend, settle or compromise any claim or action arising hereunder, and Licensee shall have the authority to decide the appropriateness and the amount of any such settlement. The Licensee shall have thirty (30) days from the receipt of such notice to:

(a) Respond to the Issuing Authority in writing, contesting the Issuing Authority's assertion of default and providing such information or documentation as may be necessary to support the Licensee's position; or

(b) Cure any such default within thirty (30) days of notice thereof, or, in the event that by nature of the default, such default cannot be cured within such thirty (30) day period, to take reasonable steps to cure said default and diligently continue such efforts until said default is cured.

In the event that the Licensee fails to respond to such notice of default, to cure the default or to take reasonable steps to cure the default, the Issuing Authority shall promptly schedule a public hearing no sooner than fourteen (14) days after a determination has been made by the Issuing Authority that Licensee has not appropriately responded, cured, nor taken appropriate measures to attempt to cure the default, and written notice, by certified mail, of such has been delivered to the Licensee. The Licensee shall be provided reasonable opportunity to offer evidence and be heard at such public hearing. If the Issuing Authority determines after public hearing that a continuing state of default exists, and that its cure is unlikely or untimely, Issuing Authority may determine to pursue any of the remedies available to it under law.

14.2 Revocation Of Renewal License

In the event that the Licensee fails to comply with any material provision of the Renewal License in any material fashion, the Issuing Authority may revoke the Renewal License granted, subject to the procedures of Law and the Renewal License and M.G.L. c 166A § 11, as it exists on the date hereof.

Upon revocation or termination, Issuing Authority may apply the provision of M.G.L. 166A § 5(f) and Section 627 of the Cable Act, which requires removal of the cable system.

14.3 Enforcement

Subject to applicable federal and state law, in the event the Issuing Authority, after the hearing set forth in subsection 14.1 above, determines that the Licensee is in default of any provision of the Franchise, the Issuing Authority may:

- A. Seek specific performance of any provision, which reasonably lends itself to such remedy, as an alternative to damages; or
- B. Commence an action at law for monetary damages or seek other equitable relief; or
- C. In the case of a default of a material provision of the Franchise, seek to revoke the Franchise itself in accordance with subsection 14.2 above.

No decision by the Issuing Authority or the Town to invoke any remedy under this License or under any statute, law or ordinance shall preclude the availability of injunctive relief or revocation remedies available under applicable laws.

14.4 Notice of Legal Action

Except in an emergency situation, in the event that the Licensee or the Issuing Authority intends to take legal action against the other party for any reason, it shall first (i) give the other party reasonable notice that an action will be filed, (ii) meet with the other party promptly before it files any such action, and (iii) negotiate the issue, which is the subject of any proposed legal action, in good faith with the other party and/or its representative(s).

14.5 No Waiver

(a) Neither failure on the part of the Issuing Authority, the Town or the Licensee to exercise nor delay in exercising, any right in this Renewal License shall operate as a waiver thereof, nor shall either single or partial exercise of any such right preclude any other right, all subject to the conditions and limitations contained in this Renewal License.

(b) The failure of the Issuing Authority or the Town to take any action in the event of any breach by the Licensee shall not be deemed or construed to constitute a waiver of or otherwise affect the right of the Issuing Authority or the Town to take any action permitted by this Renewal License at any other time in the event that such breach has not been cured, or with respect to any other breach by the Licensee.

15 Miscellaneous Provisions

15.1 Force Majeure

15.2 Action of Parties

In any action by the Issuing Authority or the Licensee that is mandated or permitted under the terms hereof, such party shall act in a reasonable, expeditious and timely manner. Furthermore, in any instance where approval or consent is required under the terms hereof, such approval or consent shall not be unreasonably withheld.

c) Issuing Authority shall provide written notice within ten (10) days of Issuing Authority's receipt from any other Person(s) of an application or request for a franchise(s), license(s), consent(s), certificate(s), authorization(s), or exemption(s) to provide Cable Services, video services, or other television services utilizing any system or technology requiring use of the public rights of way. Any public hearings to consider such application or request shall have the same notice requirement as outlined in Paragraph 14.3 above.

15.4 Public Notice

Minimum public notice of any public meeting relating to this Franchise, unless otherwise provided in this License or by applicable law or regulation, shall be by publication at least twice in a newspaper of general circulation in the area at least fourteen (14) days prior to the meeting and a posting at the administrative buildings of the Issuing Authority.

15.5 Severability

If any section, subsection, sentence, clause, phrase, or portion of this Franchise is, for any reason, held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portions of this Franchise.

15.6 Action of Parties

In any action by the Issuing Authority or the Licensee that is mandated or permitted under the terms hereof, such party shall act in a reasonable, expeditious and timely manner. Furthermore, in any instance where approval or consent is required under the terms hereof, such approval or consent shall not be unreasonably withheld.

15.7 Administration of Franchise

This Franchise is a contract and neither party may take any unilateral action that materially changes the explicit mutual promises and covenants contained herein. Any changes, modifications or amendments to this Franchise must be made in writing, signed by the Issuing Authority and the Licensee.

15.8 No Recourse Against The Issuing Authority

Pursuant to Section 635A (a) of the Cable Act, the Licensee shall have no recourse against the Issuing Authority, the Town and/or its officials, boards, commission, committees, advisors, designees, agents, and/or its employees other than injunctive relief or declaratory relief, arising from the regulation of cable service or from a decision of approval or disapproval with respect to a grant, renewal, transfer, or amendment of this Renewal License.

15.9 Jurisdiction

All provisions in this License shall apply to the Town, the Licensee and their successors and assigns. Jurisdiction and venue over any dispute, action or suit arising from this Renewal License shall be in any court of appropriate venue and subject matter jurisdiction located in the Commonwealth of Massachusetts and the parties by this instrument subject themselves to the personal jurisdiction of said court for the entry of any such judgment and for the resolution of any dispute, action, or suit.

15.10 Entire Agreement

This Franchise sets forth the entire agreement between the parties respecting the subject matter hereof. All agreements, covenants, representations and warranties, express and implied, oral and written, of the parties with regard to the subject matter hereof are contained herein. No other agreements, covenants, representations or warranties, express or implied, oral or written, have been made by any party to another with respect to the matter of this Franchise. All prior and contemporaneous conversations, negotiations, possible and alleged agreements, representations, covenants and warranties with respect to the subject matter hereof are waived, merged herein and therein and superseded hereby and thereby.
