The Department of Conservation and Recreation (DCR) is hosting a public listening session with the purpose of hearing community input on improvements that can be made to the Ryan Playground and to present proposed plans for a new Wading Pool.

The public will be invited to ask questions and provide feedback on the presentation by unmuting their microphones, or the chat functionality that will be available through the virtual participation platform. After the meeting, the presentation will be available for viewing at <https://www.mass.gov/dcr/past-public-meetings>. DCR encourages the public to share additional feedback, with a deadline for receipt of comments by DCR of June 22nd, 2023. Comments may be submitted online at <http://www.mass.gov/dcr/public-comment>. Please note that the content of comments you submit to DCR, along with your name, town, and zip code, will be posted on DCR's website. Additional contact information required when commenting, notably email address, will only be used for outreach on future updates on the subject project or property.
