The Department of Conservation and Recreation (DCR) is hosting a pre-construction meeting with the purpose of informing the public of the agency's plans to convert the existing wading pool to a splash pad. The goal of the project is to expand the operating season and daily operating schedule of the recreation area. At the meeting DCR will present the plans for the splashpad, schedule and impacts during construction.

After the presentation, the public will have an opportunity to ask questions to the project team using the raise hand functionality in Zoom, or by typing questions into the chat.

If you have agency-related questions or concerns or would like to be added to an email list to receive DCR general or project-specific announcements, please email Mass.Parks@mass.gov or call 617-626-4973.

Reasonable accommodations for people with disabilities are available upon request. Include a description of the accommodation you will need, please include as much detail as you can. Also include a way we can contact you if we need more information. Please allow at least two-weeks advance notice. Last minute requests will be accepted, but we may be unable to fulfill the request. Please send an e-mail to Melixza G. Esenyie, ADA and Diversity Manager at the Executive Office of Energy and Environmental Affairs at Melixza.Esenyie2@mass.gov or call 617-872-3270.
