## **Public Housing Notice 2015-09**

To: All Local Housing Authority Executive Directors  
From: Steve Carvalho, Associate Director, Division of Public Housing & Rental Assistance  
Subject: Amendment to PHN 2015-07 Rooftop Snow and Ice Removal Exemption  
Date: March 12, 2015

---

On Thursday, March 5, 2015, up to an additional 12" of snow fell on the South Eastern Mass, the Cape and the Islands following lesser storms earlier in the week. Due to drifting conditions some may have experienced varying amounts of snow. The purpose of this notice is to provide an amendment to PHN 2015-07 which extends the criteria to qualify for reimbursement for rooftop snow and ice removal for those housing authorities significantly affected by that weather event. The deadline for the work to be done at LHAs having been impacted by the March 5<sup>th</sup> storm is Thursday, March 19, 2015. You must provide an invoice that shows removal of snow at affected LHA properties occurred by that March 19, 2015 date. The deadline to submit the invoice(s) has not changed. All supporting documentation must be received at DHCD by 5PM on March 31<sup>st</sup>.

The following list includes all housing authorities potentially affected by this amendment:

Acushnet	Harwich
Brewster	Hyannis
Dartmouth	New Bedford
Dennis	Orleans
Fairhaven	Plymouth
Fall River	Sandwich
Falmouth	Wareham

If your LHA is not listed and you believe that it should be included please contact Bruce Siegel with information showing the amount of snow received during that storm.

If you have any questions, please call Bruce Siegel at 617-573-1235.
