Benjamin Werner	If you require Masks after the state mask mandate has been listed. are those masks reimbursable?	PPE or face mask eligibility is based on CDC or an appropriate Public Health official guidance. The CDC recently released updated guidance outlining that masks are not required for fully vaccinated individuals.
Susan hogan	If we rented tents for testing site before Jan 21 but are paying for those tents monthly, can we request reimbursement for the monthly rent after 1/21?	The updated FEMA Safe Opening and Operations policy outlines that expenses related to COVID-19 diagnostic testing are eligible for work performed after 1/21/21. Once your entity is assigned a MEMA Project Coordinator, we recommend that you discuss requesting Public Assistance for the tent expenses prior to 1/21/21. The Project Coordinator can assist with drafting a narrative to support these costs.
Benjamin Werner	Would the purchase or rental of a tent to facilitate social distancing be eligible?	Once your entity is assigned a MEMA Project Coordinator, we recommend reviewing the specific details of this expense. The Project Coordinator can assist with drafting a narrative to support claimed costs.
