You're Invited to Walk, Bike, & Roll!

Join Us in Celebrating Safe Routes to School's iWalk 2020
International Walk, Bike, & Roll to School Day

Wednesday, October 7*

Let's Get This Started. Help bring together students from all over the Commonwealth for this annual Safe Routes to School (SRTS) event. **Our goal:** to celebrate students' active commutes of walking, biking, and rolling to school.

Get Moving. If school is virtual for you on iWalk day, you can still commute! Take a break outside to walk, bike, or roll down your block. You can play **SRTS Bingo** and color a sneaker sign to show us that you participated.

Show Your Spirit. Showcase your own iWalk day by posting photos and videos (be sure to tag us!) to Facebook, Instagram, and Twitter using **#iwalked2020** & **#irolled2020**. Help us spread the word by sending photos and videos** to us by **email**.

*or any day in October that works best for you

**Sending photos and/or videos to SRTS serves as your consent for SRTS to publish on social media and/or in marketing materials at no cost to SRTS.
